To The Muzrai Comr. in Mysore, Bangalore

Sir,

With reference to your letter no C. 718 of 24-25 & 14-9-26 resubmitting for sanction an estimate for Rs 2500 for the reconstruction of the Srikanta Mandiram at Nanjangud, as the building is deteriorating day by day and recommending that as the temple ~~income~~ of Sri Srikanteswaraswami is working with a debit balance a loan of Rs 2500 may, as a special case be sanctioned

I am also to request you to state why the institution has a debit balance, when such balance is expected to be wiped out and why the bulk of the demand should not be met from the funds of the temple by making it the first charge on its surplus, with, if necessary, some aid from the grant for construction and repairs of Mutts buildings.

Sir,

With reference to your letter No.695/M.F.181-25-8 dated 15th October 1926, re reconstruction of the Srikanta mandiram at ----- Nanjungud, I have the honor to forward herewith copy of letter No. H.108-A.C. dated 7th December 1926 from the Deputy Commissioner --- Mysore District, explaining the reasons as to why the Institution is working with a debit balance and requesting sanction to the -- estimate in the interests of the property and the temple.

2. Last year's transactions have resulted in a debit balance of Rs.2690-9-3 as noted below

Opening Balance		Rs.15316-14- 2
Receipts		29131- 0-11
	Rs.	44447-15- 1
Expenditure		47138- 8- 4
	Debit Rs.	2690- 9- 3

From the above it will be seen that the debit balance is not on account of any fall in the income of the temple which is much more than the estimate made in 1919 on the basis of which a scale of expenditure was sanctioned in Government order No.379-81/M.F.579-81-2 -- dated 30-7-1919 but it is due to certain heavy items of extraordinary expenditure such as the repairs of the cars, and temple buildings, construction of the Vasanta Mantap and the Installation of the vimana kalasas etc.,

3. In view of what the Deputy Commissioner has reported that all

all heavy expenditure has been paid off and costs of all sancti estimates have been transferred and of the assurance given that the debit balance will be guarded against, I beg again to recommend that the estimate for Rs.2500/- for repairing the building may be sanctioned, the charge being met from the funds of the institutions.

All heavy expenditure of the temple has been paid off and the cost of all sanctioned estimates have been transferred before end of October 1926. There are Rs.736-8-0 worth of silver and gold articles (golaka) which will be melted down and sold and proceeds credited to the funds of the temple. In January the temple rice and rents from land will be received and sevartham and other fees are being received regularly and all important Utasavams start only after Krittige(Chieka Jatra) and

and therefore minus balance willbe guarded against.

In the above circumstances, I request that the present estimate may kindly be sanctioned in the interests of the property and of the -- temple.
